PRESS RELEASE

ECGA announces newly elected Board of Directors

Brussels, 3 November 2026 – The European Advanced Carbon and Graphite Materials Association (ECGA) is pleased to announce the election of its Board of Directors, following the General Assembly held in Brussels on 29 October 2026.

The elected Board consists of seven representatives from across ECGA's membership:

- **Juan Antonio Aranzabal, GrafTech Iberica S.L. – President**
- **Bénédicte Allard, Tokai Cobex France**
- **David Germade, Resonac Graphite Business Unit**
- **Marc Oliver Loeh, Schunk Kohlenstofftechnik**
- **Stian Madshus, Vianode**
- **Alexander Miehling, SGL Carbon**
- **Kai Portmann, ERFTCARBON GmbH**

The Board will work closely with the ECGA Secretariat to guide the association's strategic priorities and strengthen the voice of Europe's advanced carbon and graphite materials industry.

ECGA looks forward to working with the newly elected Board to advance the interests of its members and contribute to a competitive and resilient European industrial base.

About ECGA

The European Advanced Carbon and Graphite Materials Association represents the interests of the carbon and graphite materials industry in Europe. Its members supply materials essential to steelmaking, batteries, energy storage and a wide range of industrial applications.
